

Commemorative Trees

LONG A FAVORITE program of families, friends, loved ones, pet lovers, and organizations, the Commemorative Tree Program, sponsored by Santa Barbara Beautiful, gives donors an opportunity to create a lasting tribute.

Now those who wish to honor or remember someone or something special can do so with this attractive marker near almost any existing city street tree. And, because Santa Barbara Beautiful has participated in the planting of over 13,000 street trees, there are plenty of trees to choose from.

This attractive design offers a 4"x 6" horizontal plaque lettered on a dark background, embedded in a sandstone-colored concrete holder. The custom design features improved toughness and durability.
